# WHAT IS THE ALEIT ACADEMY?

**The Aleit Academy is a tertiary education institution with a difference!**

The Aleit Academy is one of South Africa's esteemed boutique tertiary institutions. Offering a unique online curriculum that equips the event support and project management professionals of tomorrow. We offer superior-quality education with an emphasis on experiential learning.

At Aleit Academy, we take pride in fostering a dynamic learning environment where innovation and trendsetting are at the forefront of our educational philosophy. As a forward-thinking institution, we are dedicated to equipping our students with not only foundational knowledge but also the latest and most relevant industry insights.

Our compact course in Event coordination support, empowers students to evolve into dynamic, forward-thinking specialists in event coordination, staying abreast of current trends in the field. We are committed to equipping our students with the necessary knowledge, skills and entrepreneurial mindsets.

THE  
ALEIT™  
ACADEMY

## OUR TEACHING PHILOSOPHY

Our online skills programme is a partial qualification making the learner work-ready upon successful completion of this short course. Whether you are looking for work or are already working within the events or hospitality industry, this online course will support your growth. It includes practical and theoretical lectures, with 60% of the time spend on the practical component.

The practical components allow our students the unique opportunity to collaborate with leading industry professionals; offering them the opportunity to gain invaluable real-world experience through various internship placements.

This compact course, guides students to become leaders in the project management and hospitality field. Our focus is on developing well-rounded and resourceful creatives who appreciate and value the entrepreneurial mindset and ethos upon which The Academy was originally founded.

## WHY STUDY WITH US?

**Build your skills**

**Creative Online Platform**

**Industry-recognised qualification**

**World-class Faculty**

**Become an industry pioneer**

**Local & international job opportunities**

**Practical industry immersion**

**We are a top institution**

# A Living Philosophy

The Aleit Academy has a philosophy of excellence embedded in everything we do. It was originally launched in 2009 by two close friends who were also business partners. They are Hans Roosenschoon (CEO and owner) and the late Aleit Swanepoel.

From the day they opened The Academy's doors, they were committed to the idea that our students should leave The Academy ready for success. They should be knowledgeable, but also confident in their abilities, and capable of handling any industry challenge with ease.

The Academy forms part of a portfolio of businesses called The Aleit Group, which represents the very best in events and hospitality management offerings. We already have almost 20 Academy alumni employed within a number of the Group's other business units. This shows that we believe in what we teach our students every day.

Here are but a few examples of amazing events and masterclasses we have coordinated over the past few years:

// MISS WORLD ROLENE STRAUSS WEDDING 2016 | LAURENT, CAPE TOWN.

// ABSA CHAMPAGNE FESTIVAL 2022 | JOHANNESBURG

// PRIVATE CORPORATE EVENT 2022 | PLEIN PUBLIEK, BRUSSELS

// NEDERBURG WINE AUCTION 2016 | CAPE TOWN

// CORPORATE LEADERSHIP CENTER MASTERCLASS 2019 | SOFITEL HOTEL, MAURITIUS.

// YPO EDGE PRESIDENTIAL 1000 PAX DINNER | CTICC, CAPE TOWN

## ONLINE FACULTY

We've always been deeply committed to providing support and guidance to our students on a very personal and individualised basis. You can look forward to learning from the best when you study at Aleit Academy. Our world-class lecturers and faculty members have been meticulously selected over the years. They are committed to delivering a superior-quality educational experience, while having a passion for being mentors to every single one of our students

### 6 Unit Standards | (Modules)

**110296**

#### **Adhere to professional conduct and business ethics in a Public Relations and Communication environment**

The correct use of business protocol is discussed in conjunction with professional behaviour. The umbrella of business ethics is used to identify and describe the role of professional bodies and/or associations or regulatory authorities in the Public Relations field.

**116594**

#### **Function in a team**

Learners are guided to correctly identify and structure the purpose of a team, describing and applying the roles and responsibilities required to work in a team. Learners are conducted to identify factors that affect a team in the workplace and how to review the effectiveness of a team while also being able to manage their own participation therein.

**246740**

#### **Care for customers**

Learners are guided to identify customer needs and expectations along with recognising customer dissatisfaction and taking action to resolve the situation. Learners also unravel how to identify and use opportunities to enhance the quality of customer service whilst consistently communicating with customers.

**155914**

#### **Minimise and manage safety and emergency incidents**

Learners are guided to correctly implement a policy to promote the prevention of safety and emergency incidents; manage incidents which affect the safety of an individual, group or crowd; manage emergency incidents which affect an individual, group or crowd and manage the reaction of an individual, group or crowd to any safety or emergency incident.

**260170**

#### **Function in the events industry**

Learners will learn to demonstrate an understanding of the national and international events industry. Discussions relating to the requirements associated with responsible events will simultaneously lead to the investigation of employment opportunities in the events industry.

**261157**

#### **Conduct event support services with specific event genres**

An array of different types of events and their differing requirements are covered, such as: sport events; business and corporate events; exhibitions; incentive and meeting events; cause related or fund-raising events; entertainment, recreational or festival events; government or civic events as well as hospitality venues or banqueting events.
